KAU – Education– Guidelines for publishing research works of Master's programme-Modified-Addendum issued.

DIRECTORATE OF EDUCATION

No: KAUEDU/240/2023-EDU B2

Date : 02-09-2023

Read : 1 University Order No.Acad/B2/ 2023/101/40497(ii) dated 12/06/2023

2 Representation dated 27/07/2023 of the Students' Union, CCCES

ADDENDUM

As per paper read (1), the modified guidelines for publishing research works of Master's programme were issued. As per the same, the students will submit the “proof of acceptance of a research paper from the research undertaken as part of the MSc/M.Tech programmes” in a UGC/KAU/ Indexed high impact journal instead of “proof of acknowledgment of a research paper” while submitting PG thesis for final result notification.

As there was a lack of clarity regarding the applicability of this order, the University has decided that the modified order will be applicable for students of 2022 admission onwards only, considering the time constraints reported by various ongoing M.Sc/ M. tech batches for complying with the above directions.

An addendum to the University Order read (1) is hereby issued.

The modified guidelines for publishing research works of Master's programme as issued vide University Order read (1) will be applicable for students of 2022 admission onwards.

The University order read (1) stands modified to the above extent.
